# GUEST YOUTH BASEBALL AND SOFTBALL ASSOCIATION

DISCUSSION	Andrew Cecil with youth baseball and softball board presented the idea of an open covered hitting facility to be located at county park. The youth board as a quoted price of \$60,000 to build a structure and is looking to partner city and county on a 50/50 share of the costs and understands once built the structure becomes property of the Parks Department. Andrew asked the boards permission to present the idea to city and county governments.		
Rich explained to the board that our current budget has \$30,000 remaining in capital money this fiscal year and felt it better option to fund the project out of this years budget rather than seek additional funds from governments.			
CONCLUSION	Motion by K. O'Reel for Parks and Rec to use current funding to share in the cost of construction and to follow proper protocols in seeking 2 <sup>nd</sup> bids for the project. 2 <sup>nd</sup> D. Lodmell
