

## HOW TO PURCHASE PRIVATE LESSONS!

If you are interested in purchasing private lessons for activities listed in this brochure, please do the following:

- Complete the Private Lessons Form, available at Falling Springs Center or online at [www.vwcparksrec.com](http://www.vwcparksrec.com).
- Bring the completed form and fee to the Parks & Recreation Department offices located at Falling Springs Center. You will be given a Training Pass card to scan at the front desk each time you meet with your trainer.
- If you have not already spoken with an instructor to set up your sessions, you will be contacted within 3 business days by an instructor to set up a mutually convenient time to conduct your session.
- When you arrive at Falling Springs Center for your sessions, you will need to scan your Training Pass. *(Members & non-members of Falling Springs Center must have a Training Pass for private lessons).*
- If you schedule a Private Session with an instructor & cannot make your scheduled appointment, you must call & give your instructor at least 2 hours notice. If you do not call or you give less than 2 hours notice, your lesson will not be rescheduled & a refund will not be issued. Calls may be made to the Center or to the instructor, depending on the instructor's preference.

*At no time is it permissible to pay a private individual or any Falling Springs Instructor for private session instruction unless specifically noted. All private sessions must be paid in the front office. Paying anyone to give you or a family member private instruction at Falling Springs Center is grounds for revocation of user privileges for the client and the instructor.*
